

When people ask me, “Who are you?” and “What do you do?” I usually state my name and occupation.

When I ask myself, “Who am I?” I respond:

I’m an educator; education is my North Star. Words are my superpower.

I continuously learn and grow and use my spoken words and written words to help others branch out to reach their highest potential.

Whether you’re a CEO, entrepreneur, a team of experts, or a professional, as your coach I’ll walk alongside you to help you find your North Star, access your deepest inner resources, and achieve your goals.

Message me on LinkedIn or email info@emmedevonish.com to get started on our journey together towards your success.

Thank you.
